Attention

It is with regret to say that we are no longer able to carry on with managing the distribution of the newsletter. Many thanks to Jeff and Danielle McAuliffe who have stepped up to fill the position of Distribution Manager. We have a need however for a back-up person to be available if needed. If no one responds to fill this need it may result in a time when the newsletter will not be delivered to each residence. There are many residents who look forward to this service and are unable to get to the clubhouse to pick up a copy. If you are able and interested and need more information, please call Vickie Mills 813-992-2675.

Thank you,
Vickie and Jon Mills

Happy Grandparent's Day

SEPTEMBER 8TH

PRESIDENTS LETTER

Here it is the beginning of September, and we already experienced our first major storm of the season. Tropical Storm Debby showed herself by dropping tons of rain in our area. This actually allowed us to see just how well our storm sewers and ditches performed and I'll say overall they did quite well. The big issue was the grates over the storm sewers catching debris and clogging. I would ask if you are able and it's safe during a storm to watch the storm grate near your home and clean it should there be a build-up of debris or call someone to clean it. The only other issue I am aware of is the doors by the stage in the clubhouse allowed some water to seep in on the floor. We will address this by replacing the weather seals around each door. And don't forget September is historically the most active month of the year for storms. Please stay prepared!

I understand there were a few questions recently on social media about the board updating residents when the pool might reopen after the storm. The board normally provides updates when there is a mechanical issue with the pool or spa, however after a storm it is a little different. After a storm, the BOD will provide information once it is clear the pool is safe to open, not before. With all the variables involved with reopening, to "guess" when it might open could be misleading.

Recently the state of Florida changed some of the state statutes governing HOAs and condos. Knowing there needs to be some clarification on some of the changes, I requested Ameri-tech provide a presentation at the September monthly meeting to go over these changes and explain how we in GAV plan on addressing them. One change is residents will need a logon to view our documents online. With this change and added security, you will be able to view more documents than are currently available, such as the financials, insurance policies, meeting agendas etc. We will consider using one logon that works for everyone like we use for the internet at the clubhouse. It would be different from the internet password but would keep outsiders out and reduce the issue of residents forgetting their logon information.

A quick note on the St Petersburg Water pipe replacement. We are in the process of scheduling an update meeting in September. The actual date has not been agreed upon but we will let you know once it has. At the present time, it could be on the 12th or 17th. The meeting/presentation will be in the late afternoon and all residents are encouraged to attend.

In closing, I want to thank all the volunteers who helped before and after the storm. You always hear people complaining about this or that in the community but there has always been a group of residents/volunteers who simply respond and help when needed and do not complain. Thank you!

John Monser, President

FLORIDA ANCHOR AND BARRIER COMPANY

Social Club Presidents Letter

Our summer was full of entertainment to keep everyone occupied. The 4th of July cookout, an ice cream social and the End of Summer Dance were just a few of the things that kept us active. We capped the end of our summer with our Labor Day cookout. Just because Labor Day signals the end of summer, it does not for us. Your Social Club is still hard at work planning fun entertainment for all to enjoy.

September starts with our Social Club meeting on the 3rd. We would like to see as many of you as possible at this first meeting of the season where we will discuss upcoming events. Plan on Koffee Klatch the 1st and 3rd Saturday. Bunco on the 2nd and 4th Monday. Karaoke resumes on two nights again, the 6th and 20th this month. Our Sports Night Dance will be on the 14th. This is where you can decorate your table in the theme of your favorite sports team, whether it is college, professional, or high school. This will be an interesting night. Let's see how many teams we can cheer for. On the 28th we will have our Pancake Breakfast and Night at the Races. Come and enjoy an inexpensive breakfast with your friends and neighbors and work off all the pancakes there will be our Night at the Races where you can participate as a horse or just bet on and cheer your favorite horse. It will be a fun filled night. All your favorite aerobics classes, line dancing, and game nights start up again in September.

As you can see, there are plenty of activities to enjoy in Gull Aire Village. As always, keep checking the bulletin board, calendar, and the Official Gull Aire Social Club Facebook page for any changes, additions or deletions.

A Dale Mathurin, President

Welcome New Residents

Please help me welcome our newest residents.

Oscar and Monica Antepara have purchased 424 Pelican Dr. S. They are originally from Ecuador and have two children and one grandchild. They are both still employed. Oscar is a drummer and enjoys music.

Sue Van Vessel

Here it is already September. Calling all Veterans, spouses, and their guests to join me on the 17th at 6:30 pm. We will meet to discuss Veterans Day at Oldsmar and those who will be getting their names on the wall. We will also finalize information for those who will be getting Quilts of Valor. I will be turning in those names during this month. For any new veterans in the village, please attend so we can get you signed up. If you have any questions, please let me know. It has been brought to my attention that we have a couple of veterans here in a Oldsmar nursing home. These individuals could use a visit if anyone is interested.

Architecture Guidelines

Particularly important to remember for those that may be doing any digging after your application has been approved.

Peggy Allison, Architectural Committee

Dig into Better Practices

Avoid hitting underground utilities! Let us know when and where you're digging (call 811 or use our online services) and we'll notify our member utility companies so they can mark their lines, pipes or cables near your job site. This is a **FREE** service. Sunshine 811 is a call center and educational resource for Florida's excavators, underground facility owners and operators, and any other stakeholders wanting to prevent excavation damage to underground facilities. Find resources to help you learn more about Sunshine 811 and safe digging best practices. <https://sunshine811.com/enforcement>

VIAL OF LIFE –

The “Vial of Life” program is a nationally recognized initiative that provides emergency medical personnel with a patient’s medical information in case of an emergency. It is useful for people who are unable to communicate due to injury or illness, such as those living alone or chronically ill. It is designed to speak for you when you can’t speak for yourself. Also at the time of the event, you are stressed and worried with what is occurring and can’t remember all of your medications and dosages or other pertinent medical information.

The Vial of Life form is a FREE download at VIALOFLIFE.com. The form asks for your important medical information that can assist emergency personnel in immediately administering the proper medical treatment. You simply fill out your medical conditions, allergies, medications, emergency contact information. Other information, such as DNR, living will can also be added. I have been told that sometimes first responders have no connection to your medical information from either the hospital or your physicians, so providing them as much medical information as possible, could save your life. Placing a copy of this form in your wallet would also be beneficial for when you are away from your home.

Once you print and complete the form, place it in a clear baggie and stored in an accessible location such as on your refrigerator door. To help emergency responders quickly find the vial, you can go to the website to order the kit which contains the form and 2 red decal, which can be placed on the front of the baggie and also on your front door or window. You could probably print out the “sticker” from their site and use red copy paper for your refrigerator and front door decals.

This is something **EVERY RESIDENT** should consider.

Home Assistance Programs –

Tampa Bay Cares (www.211tampabay.org) published a 2023-2024 Senior Directory and I wanted to pass along information about “Home Assistance Programs” which might be very beneficial for some of our residents:

Pinellas Opportunity Council Chore Services Program

727-327-3091

A no-cost supportive service to help frail elderly maintain independent living situations.

Services include routine house tasks, cleaning, debris cleaning, ramp building. Call for an evaluation.

Seniors in Service Senior Companion Program

727-382-7121

A no-cost supportive service designed to help homebound or disabled seniors retain their independence. Regularly scheduled in-home visits that could include simple chores, grocery shopping, caregiver respite, and accompaniment to social activities.

Disability Achievement Center, Home Modification Assistance

727-539-7550

Connects people with disabilities needing home modifications with the appropriate funding sources and assists with safely accessing the home with modular ramps, bathroom and home modifications, ramp costs, undesignated home barrier removal services. Have available some durable medical equipment, equipment repair and wheelchair ramps. Also accept donations of certain no longer needed medical equipment.
