### HOA President's

Times have changed in the Village. In the past residents did not worry much about crime in Gull Aire Village but that all changed in the month of May. We had two of our residents have their golf carts stolen in the middle of the night. We had another resident have items taken from his shed and a key broken off in his front door when someone attempted to enter his home. The board responded to these events by requesting the sheriff have his deputies patrol our community on a regular basis and watch both entrances during the early morning hours. I sent out a list of actions that you can take to protect your personal items and add security to your home on mail chimp. However, we all must continue to ensure we keep our sheds locked and our valuables secured. You might consider contacting your insurance company to see just what coverage they are providing. Is your golf cart covered? What about items you store in your shed? Also, take pictures of all your personal property so you have a record of what you own. If you see something suspicious call either the sheriff's office or 911 and report it.

Recently someone must have thought if a pool chair is broken, or the ribbing is gone we discard the chair. We went through this in the past and found replacing the chairs is much more expensive than repairing them. Please do not throw out worn pool chairs. Instead, please contact Todd Hayward and he will see that they are repaired and placed back in service.

The correct parts finally came in and the pool gate has been repaired and is back in operation. We appreciate your patience. Please never keep a gate open by placing something to restrict it from closing as it is a violation of Florida law. If you find a gate not working properly report it to either Todd, a board member or Alice and we will investigate it.

I know in the last newsletter I wrote about the hurricane season, however, I feel you cannot write enough about it this year. They predict an extremely active season this year. The ocean temperatures heated up earlier than in past years and conditions are ripe for storm and hurricane activity. Be prepared! Visit the Pinellas County Preparedness website or [disaster.pinellas.gov](https://disaster.pinellas.gov) for more information. Take the time to take photographs of all your possessions so you have an up-to-date record for insurance purposes. But most importantly stay safe and know your evacuation plan!

### **GAV Social Club**

Summer is here. Where did the last six months go? Well anyway we will still have a lot of fun this summer.

The Memorial Day Service was a nice, solemn service. I thank Peggy for stepping in for me. She did a great job. The Memorial Day cookout went over great. We had so many of our residents participate.

Our July 4<sup>th</sup> Cookout will have a movie, "Independence Day." Should be a lot of fun. July 20<sup>th</sup> is our Ice Cream social (my favorite!!). August brings us our Pizza & Game Night and the 24<sup>th</sup> is our End of Summer Dance.

Please, don't forget that the Clubhouse will be CLOSED the evening of August 19<sup>th</sup> and ALL DAY The 20<sup>th</sup> for Elections. September 2<sup>nd</sup> will be our Labor Day cookout.

I would like to take this time and thank Peggy Allison, Kathy Marro and Diana Lutch for pitching in during April and May to keep everything running smoothly while I was vacationing at Mease Hospital.

As always keep checking the bulletin board for any addition or deletions to our activities.

I wish everyone a happy and safe Summer. See you at our activities.

Dale Mathurin, President,  
Gull Aire Village Social Club

**Reminder:** With the summer months, you just never know when the Social Club will plan an event at the last minute. So always check our Official Facebook page, Flyers in the clubhouse or hear it at the pool. Your Social Club likes to plan things sometimes at the last minute.

### “WHERE THE CRAWDADS SING”

Where The Crawdads Sing tells the story of Kya, an abandoned girl who raised herself to adulthood in the dangerous marshlands of North Carolina. For years, rumors of the "Marsh Girl" haunted Barkely Cove, isolating the sharp and resilient Kya from her community. Drawn to two young men from town, Kya opens herself to a new and startling world; but when one of them is found dead, she is immediately accused by the community as the main suspect. As the case unfolds, the verdict as to what actually happened becomes increasingly unclear, threatening to reveal the many secrets that lie within the marsh. This movie is rated "PG".

### “RUDY”

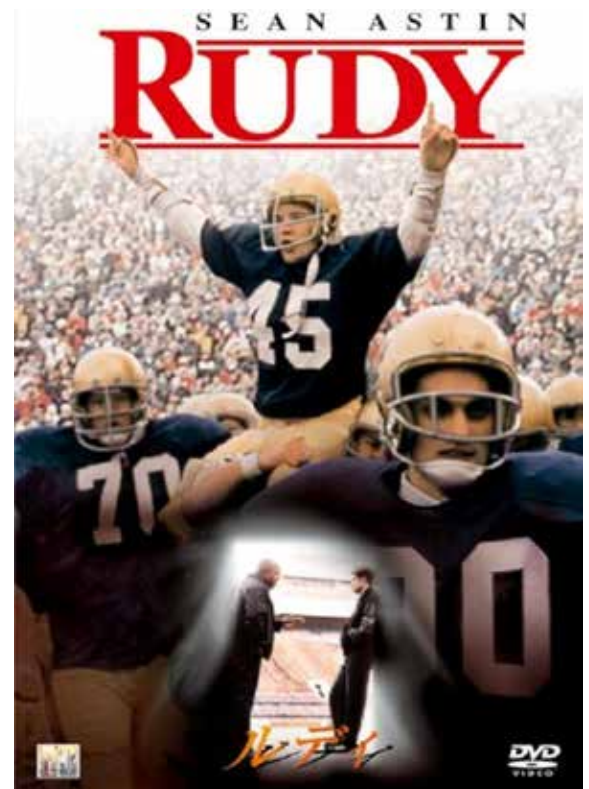

All his life, people have told Rudy that he's not good enough, not smart enough, not big enough. But nothing can stop his impossible dream of playing football for Notre Dame. From the time he's a young boy, Rudy (Sean Astin) is determined to join the Fighting Irish. This movie is a true story, it is an unforgettable testament for the power of dreams and the triumph of the common man. This movie is rated "PG".

### Did you know?

- In it's infancy, GAV allowed children of any age to live here.
- In 1983, GAV became "an 18 and older village".
- Around 1987-1988, GAV became a "55+ community"
- A portion of the "pool rules" in 1984 read as follows:
  - o One resident MUST accompany his guests
  - o Guest children under 14 may ONLY use the pool between 10am to noon and 4pm to 6pm
  - o In the early 1980's there WAS a Lifeguard on Duty
- There are 20 missing not assigned address numbers in the convoluted numbering scheme in GAV.
- Sine the 1976 genesis of GAV, our weather extremes have included the "blizzard of 77" when 2/10 inches of snow fell on January 19, 1977. The lowest temperature of 19 degrees was recorded on January 13, 1981, and the highest temperature of 102 took place on July 10, 1997.
- Oldsmar's population was estimated at just over 2,000 in 1976 when GAV was conceived and the 2015 estimate puts the City's resident count at just under 14,000.

Pizza was first invented in Naples, Italy as a fast, affordable, tasty meal for working-class Neapolitans on the go. While we all know and love these slices of today, pizza actually didn't gain mass appeal until the 1940s, when immigrating Italians brought their classic slices to the United States.

#### GULL-AIRE Moments

Not that we Gull-Airians ever forget anyone's name, or forget where our keys are, or look for our glasses that are on our forehead. So let's laugh at ourselves each month with some genuine "Gull-Aire moments"

While this one is not from a Gull-Aire resident, here is a reminder about predictions. "Television won't be able to hold on to any market it captures after the first six months. People will soon get tired of staring at a plywood box every night"

Darryl F. Zanuck - 1949

Mr. Zanuck lived until 1979 and I wonder if he ever regretted his prediction.

Please submit any genuine "Gull-Aire moments, no names please. just humorous "old-people" incidents to me via [ksnickers53@gmail.com](mailto:ksnickers53@gmail.com)

## Poetry by a Shelter Dog

In the shelter's embrace, I dwell,  
A tale of woe my heart does tell.  
Abandoned once, then twice cast aside,  
Yet love for humans in me abides.

My face may not be like others you've  
seen,  
But inside beats a heart, still keen  
On finding a home, a loving friend,  
Whose love will endure, without an end.

My family, the other one I knew,  
Surrendered me, their love withdrew.  
But still, my heart beats with hope's  
refrain,  
That love will find me once again.

Days turn to nights, nights to days,  
In this limbo, my spirit stays.  
I wag my tail, I bark with glee,  
Hoping someone will notice me.

A year has passed, yet here I wait,  
For that one soul, it's not too late.  
To open their heart, to give me a chance,  
To find in me a loyal stance.

So here I am, a dog forlorn,  
With a face that's different, but not my  
scorn.  
For in my eyes, there burns a flame,  
Of love unending, just the same.
