President's Letter

If you missed the meeting that was held on May 7th, 2024, I would like to share some of the crucial points that were discussed.

One of the primary topics was the idea of installing a badge security system for the pool area. However, we have only received one estimate to upgrade the gates to a badge system, and it ended up over \$9000. Therefore, it was decided in the meeting that we should wait for bids on just repairing the gate versus repairing the gate and upgrading to a badge entry system before making any decisions. In the meantime, do not prop open any of the gates. Someone was using a brick to keep the gates open. It is against the law to prop open pool gates. We could find ourselves in serious trouble should a health inspector drop by for a pool inspection.

At the last monthly meeting, I mentioned that if you own an RV or trailer in the Salmon lot and would like to keep it nearby, you need to submit a letter to the BOD explaining where you would like to store it. It must be off the street and not over the sidewalk. We will allow a few trailers to be parked behind the clubhouse, but you still need to make an official request, and each request will be considered on a case-by-case basis.

Before the meeting, a resident enquired about the permit required to operate their golf cart on Oldsmar (our) streets. The annual golf cart permit costs \$10, but it is no longer mandatory. It is now a voluntary procedure; however, you can purchase a permit should you want to show off that your cart is from Oldsmar 😊. You must be 15 years old and possess a learner's permit or 16 years old with a valid driver's license to operate a golf cart. If you own a golf cart, you are required to maintain liability insurance, which must always be current.

The Board discussed the importance of having pool badges when entering the pool area. It is mandatory to have a pool badge to use the pool. This rule may sound strict to daily pool users, but we all are expected to follow it.

As we are entering the hurricane season, it is essential to ensure that everything around your home is secured properly. Small lightweight items should be put away, and anything that could become airborne needs to be removed from your yard. Don't wait until the last minute to plan; it is advisable to have plenty of fresh water and food that can last you for a week. Keep your phones charged and ensure that Alice has your contact information and emergency contact information. You can check the Florida Hurricane guide at floridadisaster.org for more information.

Lastly, please note that there will not be any monthly meetings held over the summer.

John Monser, President

Notes from the Newsletter Team

1. Just a reminder that the next issue of the Gull Aire Voice will be July and August combined. If you are submitting information, please remember to include both months and/or indicate which month applies. Be sure to keep both calendars for reference.
2. If you are part of our delivery team and will be gone all or part of the summer, please let us know (Jon or Vickie 813-992-2675) so that we can arrange for a substitute. If you are able to find a substitute, we would be very grateful. Please notify us of the name and address so that we know where to deliver the newsletters.
3. For everyone delivering newsletters this summer, please take note of any previous issues that have not been picked up. Take them with you and do not deliver another issue until you are sure the resident has returned. We are not always sure who is here and who is not.
4. **The Yellow Phone Directories were delivered in May. If you did not receive one, please see Alice in the office for your copy. Snowbirds, your copy will be waiting there for your return.**

REMINDER TO RESIDENTS: According to our documents, if you are doing any work to the OUTSIDE of your home, you are required to submit an Architectural Application.

This would include house, shutter or driveway painting, erecting sheds, pavers or patios, ramps and railings or additional car parking on your property. Following the proper procedures will avoid someone from the AC committee, or GAVA board, stopping your project and possibly a fine. If you are unsure whether or not the form is required, it is suggested you complete one anyway to insure you have received proper approval and the form will be kept in the office property file.

Applications are available in the clubhouse, and you can contact any committee member with further questions. Members are Peggy Allison, Carl Foley, Jill Kauss, Sherri Page and Maryann Sieminski.

As a voracious reader of many genres, I like to hear from others about what they are reading. I would love to share with other readers in Gull Aire and perhaps find my next book. To start things off I offer one that I found hard to put down. If you have read something that you think others would enjoy, please send a brief synopsis to gullairevoice@gmail.com and we will print it in the next issue for July/August. Summer is a great time for a good beach read or for curling up in your air-conditioned easy chair.

Happy Reading,
Vickie Mills

The Only Woman in the Room

Marie Benedict

She was beautiful. She was a genius. Could the world handle both? A novel about Hedy Lamarr.

Hedy Kiesler is lucky. Her beauty leads to a starring role in a controversial film and marriage to a powerful Austrian arms dealer, allowing her to evade Nazi persecution despite her Jewish heritage. But Hedy is also intelligent. At lavish Vienna dinner parties, she overhears the Third Reich's plans. One night in 1937, desperate to escape her controlling husband and the rise of the Nazis, she disguises herself and flees her husband's castle.

She lands in Hollywood, where she becomes Hedy Lamarr, screen star. But Hedy is keeping a secret even more shocking than her Jewish heritage: she is a scientist. She has an idea that might help the country and that might ease her guilt for escaping alone—if anyone will listen to her.

"I find television very educating. Every time somebody turns on the set, I go into the other room and read a book."

Simple thoughts to live and love,
Friendship from the heart.
And more a friend to thy own self,
No better way to start.

Thoughts of joy and happiness,
True wealth to warm your soul.
Of unity and brotherhood
Some thoughts to make us whole.

The gift of Life is that of giving,
Of being kind and warm.
Hold nothing back and be in love,
To calm most any storm.

Help is here in everything,
In rolling hills and fields.
Bathe the self in flowing love,
And see what living yields!
