PRESIDENT'S LETTER

As 2025 comes to a close, I want to take a moment to thank each of you for your continued support, patience, and involvement in our community. Together, we've accomplished a lot this year. None of this happens without residents who care and volunteers who step up. Thank you.

Looking ahead to 2026, I am genuinely excited. We have several projects already budgeted and waiting to be scheduled. I believe that because of the work the current board has done; it can be one of our best years moving forward. But the direction and energy of our community always depends on who is willing to serve on the Board of Directors. That brings me to our upcoming Board election in February 2026.

Serving on the Board is rewarding...and can be very challenging at times.

The Good:

- You directly shape the look, feel and finances of the community we call home.
- You learn how associations really work
- You have an opportunity to improve everyone's property values.
- You gain leadership experience.

The not-so glamorous side:

- It requires a lot of your time and you need to be flexible
- You will become frustrated at times with receiving negative messages and reading negative posts on social media especially when they are unfounded (one reason you do not see past board members reapplying).
- Decisions are rarely black-and-white and do not always please everyone.

After weighing both sides, should you feel the call to serve, in January Ameri-tech will mail out the proposed budget for 2026 and include in that mailing a Letter of Intent that you can fill out, and if you have a short resume, include it and send them both to Ameri-tech. Good luck!

On another note, I instructed the construction crew working on Curlew to remove the trees along our wall. If you look you will see they have dug right up to the tree's trunk and in doing so, cut some of the tree's roots. It would no longer be safe to leave them.

Wishing you and your families a happy and healthy NewYear!

Warm regards, John

Gull Aire Social Club News

Happy New Year 2026

Your Social Club wishes everyone a very Happy New Year. We hope 2026 will be exciting and prosperous for you. As we start the new year, we reflect on how last year has been. As always, when we do reflect on the past year, we make resolutions for that year and sometimes we accomplish our goal and sometimes we miss the target. We hope that your New Years Resolutions for the coming year are attainable.

I am pleased to say that Gull Aire Village Social Club did meet the goals we set. With the various dances, dinners, cookouts, and entertainment etc. we feel that we made Gull Aire Village an exciting place to live. All these activities would not come to fruition without all the work our volunteers did for these events. Each and every volunteer worked on your behalf to make these events as enjoyable as possible for you. It gives them a sense of belonging in the community. We are always looking for more volunteers to help. With volunteering, you get the feeling that Gull Aire is your family.

The Gull Aire Village Social Club resolves to make 2026 another exciting year for you. With this resolution in mind, we will bring you The Godfather Show on the 10th. We have had him in the past, and everyone enjoyed his performance. You will be laughing from the first sentence to the last. Bring a friend and enjoy the evening. On the 24th we will have our Pancake Breakfast. What a nice way to start the day enjoying breakfast and a fresh cup of coffee with friends and neighbors. To finish the day, we will have our Night at the Races. This will be a fun night betting on your favorite horse. Koffee Klatch will be on the 3rd and 17th. Come and enjoy a fresh cup of coffee and fresh pastries. Come on down on the 12th and 26th and play Bunco. It is a great dice game, and you constantly change partners. This is a good way to meet new people, and you could also win \$\$\$\$. Every Wednesday there is Bingo. Another evening where you could win \$\$\$\$. You can purchase hot dogs or hamburgers from 4:00 to 5:00 with games starting at 6:00. Karaoke will be on the 16th. Come and show off your great singing ability. The movie on the 11th will be Superman.

As always, we have our usual exercise classes, line dancing, game nights, chair volleyball, Bocce ball, Shuffleboard etc. Keep checking the bulletin board, Calendar and the Gull Aire Village Official Social Club Facebook page for any additions, deletions, or corrections.

Again, we wish everyone a very Happy New Year and look forward to seeing many of you at our functions.

BOCCE

We are into our third month of the fall season for organized Bocce Ball. The new courts are working well and everyone that are playing seem to be having a good time and lots of socializing and chatter. In a village where we live, this is a big part of what Bocce Ball is all about, sure we all like to win but we play for fun, it is a place to get out of the house and get to know your neighbors. SO COME PLAY WITH US. Get hold of Paula Marrone (727-366-7222) or myself, Gene Henriksen (727-421-6614) and we will get you started. We are still in need of permanent players for Monday or Thursday. Also substitutes, if you do not want to commit to a given day sign up as a substitute where you can fill in for a permanent player that cannot play on their scheduled day. Also remember the courts are available to any resident of Gull Aire to use other than Monday or Thursday.

ARCHITECTURE GUIDELINES

Homeowners' Associations (HOAs) in Florida play a crucial role in maintaining the integrity of residential communities. With architectural rules set by HOA boards, these regulations directly impact property owners who wish to make modifications to their homes. Understanding these rules is essential for homeowners to ensure compliance and avoid disputes.

In Florida, HOA architectural committees operate under the authority of the HOA's governing documents, such as the Declaration of Covenants, Conditions, and Restrictions (CC&Rs). Their primary responsibility is to review and approve or deny proposed changes to ensure they align with community standards, preserving property values and harmony.

Parcel owners in Florida's HOA communities have rights and privileges that protect their interests. Central to these rights is the ability to make property improvements within the HOA's architectural guidelines. Florida law ensures homeowners are informed about community rules, promoting transparency and understanding of their rights.

Homeowners also have the right to appeal architectural committee decisions they believe are unfair. Requests for review by the HOA board allow owners to challenge decisions perceived as unreasonable or inconsistent with community standards. Additionally, parcel owners are entitled to access relevant HOA documents, empowering them to actively participate in community affairs.

This information was taken from the Legal Clarity Florida article I read and hope it gives you a better understanding of the Board and the AC rules with residences. Our committee is here to help you and with the new rules put in place in Florida in 2025, we are still learning them ourselves so please bear with us as we learn together. Changes are always taking place. We want the best for Gull Aire Village as each and every one of the residences do.

With your January newsletter you will be receiving your raffle tickets for the Major Raffle. Be on the lookout for them. If you do not receive them, let me know. If you do not want them, please return them to Alice or myself

A sign-up sheet will be going up in January for people who would like to help. It takes a lot of people to set up and work the event,
