Dear Gull Aire Village Residents,

As we embrace the warmth and vibrancy of summer, I hope you are all enjoying the sunshine, connecting with neighbors, and appreciating the beauty that surrounds our community. Please continue to stay safe, stay hydrated, and look out for one another during these warm summer months.

This year marks a remarkable milestone for our nation—America 250! the semi quincennial celebration of the United States. Across the country, including right here in Oldsmar, communities are organizing events, volunteer opportunities, and educational programs to commemorate 250 years of American history. Residents interested in learning more or getting involved can visit:

- ❑ America 250 Commission – <https://america250.org>
- ❑ City of Oldsmar America 250!– <https://www.myoldsmar.com/1413/Americas-250th>

I encourage everyone to explore ways to participate as our nation approaches this historic anniversary.

Our Beautification Committee recently held its inaugural meeting and is already generating thoughtful ideas to enhance the appearance of Gull Aire Village. We look forward to sharing updates as these projects take shape.

The Board continues to actively address the condition of our ponds. We are pleased to report ongoing improvements in water quality and overall appearance, thanks to consistent monitoring and maintenance.

The City of Oldsmar has informed the Board of an important update regarding sidewalk regulations. Under the revised law, sidewalks are no longer considered part of the roadway, and vehicles may not park with tires on the sidewalk. We ask all residents and guests to please take note of this change. The City has indicated that warnings will be issued in the near future, so your cooperation is greatly appreciated.

Finally, a gentle reminder to all drivers: please reduce your speed when traveling on Gull Aire Boulevard, especially as you approach the main exit. Your caution helps keep our community safe for walkers, cyclists, and fellow drivers.

Thank you for your continued care, involvement, and pride in our village. Wishing you a joyful, safe, and memorable summer season.

Warm regards,
Sal Chieffo
President

Gull Aire Social Club News

Social Club Summer Events

Summer has finally arrived, and your Social Club has planned an exciting lineup of events for everyone to enjoy!

We kick off the season with our 4th of July Cookout, a favorite annual tradition and a wonderful opportunity to spend time with friends and neighbors while celebrating our nation's independence.

Later in July, join us for our Ice Cream Social, where you can create your own delicious sundae with all your favorite toppings. It's the perfect way to cool off and enjoy a summer evening together.

August brings our fun-filled Back-to-School Sock Hop. Dust off those school-day outfits and get ready to dance the night away. It's sure to be a nostalgic and entertaining event for all.

Since Gull Aire is located in the western part of the state, we are also hosting a Western-Themed Dance. Put on your finest cowboy or cowgirl attire and enjoy an evening of music, dancing, and a delicious BBQ. It is a great chance to show off your western spirit and have some fun with friends.

As summer winds down, don't miss our Labor Day Cookout in September. This gathering offers another opportunity to enjoy good food, great fellowship, and the company of your neighbors.

September also features our popular Pancake Breakfast, where you can enjoy fresh coffee, pancakes, and a hearty breakfast while catching up with friends. Later that night, place your bets and cheer on your favorites during our exciting Night at the Races, always an evening filled with laughter and friendly competition.

Throughout the summer, we continue to offer many of our favorite activities, including Bunco, Game Night, and Bingo. These events provide plenty of opportunities to socialize, make new friends, and enjoy the wonderful community spirit that makes Gull Aire such a special place to live.

We look forward to seeing you at these events and making this summer one to remember!

Dale Mathurin
President

CITY HALL NEEDS A **WATCHDOG**, NOT A RUBBER STAMP. **VOTE FRASER YOUNG. AUGUST 18, 2026.**

Fiscal Responsibility

An auditor's eye on every budget and contract. No waste. No tax hikes.

Affordability

Keeping Oldsmar a place working families and retirees can afford.

Safety & First Responders

Police and fire funded first. Always.

Responsible Development

Maintain our small-town charm. I'm not afraid to say no to bad deals.

Environment & Resilience

Defending our Bay, parks, green space, and shoreline.

Open Government

Plain-English budgets. Merit-based hiring. No backroom deals.

No Data Centers

Our water and our power grid aren't for sale.

OLDSMAR'S INDEPENDENCE IS ON THE LINE.

Florida's DOGE audits are underway, and the county has floated consolidating cities.
A flawless balance sheet is the best defense. Let's get financially serious.

I'd be honored to earn your vote.

As we prepare to commemorate our nation's 250th anniversary, I would like to remind all veterans that I am available to assist with applications for the City of Oldsmar Veterans Wall. This recognition is a meaningful honor, with names formally added during the Veterans Day ceremony. Eligibility requires at least one year of residency in Oldsmar and the ability to provide a DD214.

I also accept applications for the Quilts of Valor program. I aim to collect a minimum of five applications so that we may hold a dignified ceremony to present these handcrafted quilts to veterans who have been affected by war in any capacity. I am available to discuss this program with any interested veteran.

Additionally, I have applications and detailed information regarding the Honor Flight to Washington, D.C. This program provides veterans with a complimentary one-day trip to visit the memorials dedicated to their service. During the most recent Honor Flight, five veterans from Gull Aire participated, and it proved to be an unforgettable experience. While spouses are not permitted to accompany veterans, other relatives may serve as guardians for a fee of \$500. Several veterans were accompanied by their children on the previous trip.

If you have any questions regarding veteran programs or services, please feel free to contact me. Should I not have an immediate answer, I will make every effort to obtain the necessary information.

To make sure I have collected previous applications please give me a call or email and let me double check that I have your applications. I don't want to have misplaced any because it has been a year since the last ceremony. 304-415-2684 or peggysboys@gmail.com Thank you for your service.

Architectural Guidelines Update

Thank you to the GAV Board for appointing the Architectural Committee members for the coming year. The committee consists of Peggy Allison, Carl Foley, Randy Collinsworth, Dickie Butler, and Terry Dellinger, with Carl LaFrance serving as the alternate. Activity has been slow during the summer months, and while we have not yet held any formal meetings, the committee did meet to make introductions and review the application process and protocols.

We continue to appreciate residents submitting their applications. Significant changes to the permitting process are coming in 2026. Carl Foley and I have already met with the city once, and another meeting is scheduled with both city and county officials to discuss these updates. As we receive more information, we will share it with the GAV community. It is important that everyone understands the necessity of obtaining proper permits.

The City of Oldsmar remains a helpful resource for answering questions, and our committee is also available to assist. With laws and requirements continuing to evolve, we are all learning together. Please feel free to reach out, and we will do our best to help.

Pet owners, did you know

According to Pinellas County Code, section 14-63(a), “No dog or cat shall run at-large within the county” as defined in this article. Any person who possesses, harbors, keeps or has control or custody of a dog or cat which is running at-large shall be in violation.

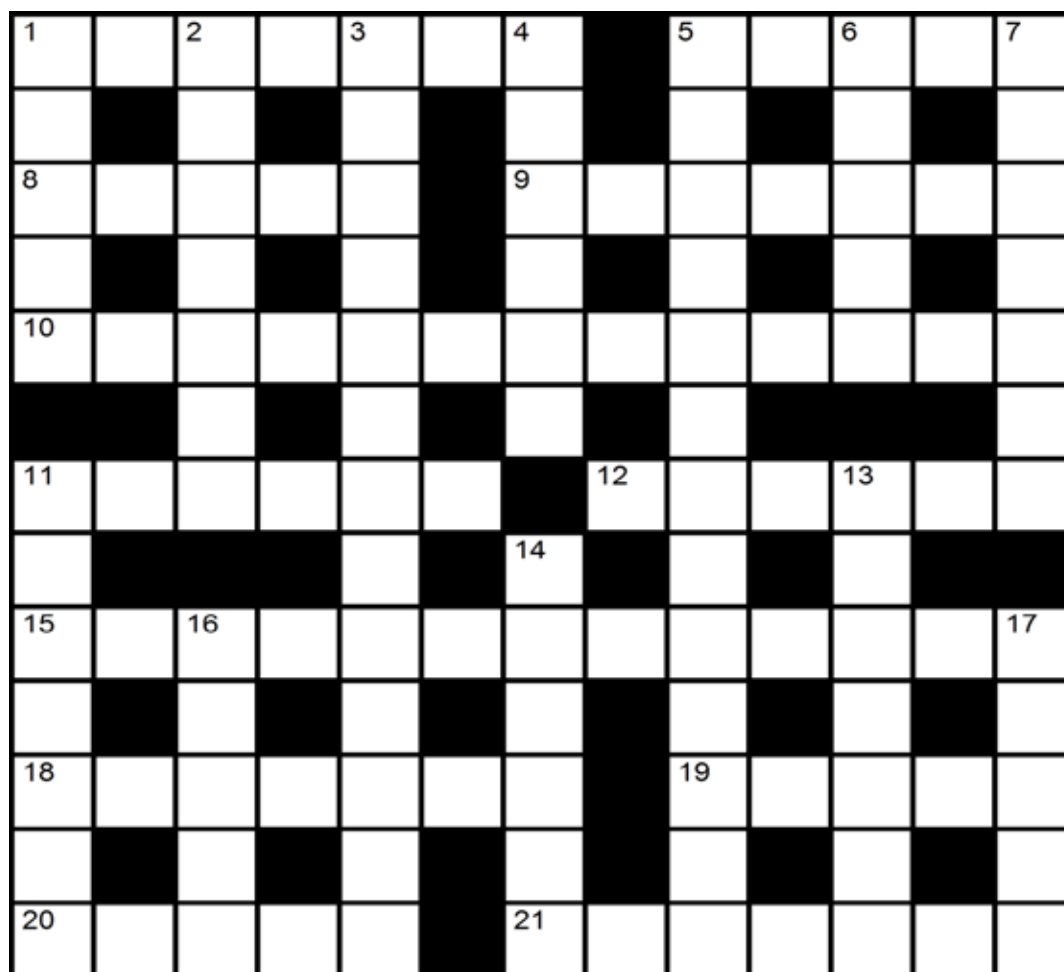

Most residents are aware of the leash law pertaining to dogs, but this County code further explains that CATS must be kept indoors, contained on the owner’s property or on a PHYSICAL LEASH WHEN OUTDOORS! If your cat is outside on a leash or tether, it MUST remain within your “direct visual range”. Unsupervised tethering is prohibited. Free-roaming cats that cause property damage, make excessive noise or trespass on neighbor’s property can be reported as a public nuisance.

Periodically, residents have observed coyotes and bobcats in the Village at different times of the day and letting your animal roam freely, or on a unsupervised leash outside, could end in a tragic consequence.
