Dear Gull Aire Village Residents,

As many of our seasonal residents prepare to head to their second homes for the summer, the Board would like to wish all of our “Snowbirds” safe travels and a wonderful, relaxing summer. Thank you for being such an important part of our community, and we look forward to welcoming you back in the fall.

The Board has been busy working on several important projects throughout the village. In particular, we have been preparing Gull Aire Village for the upcoming hurricane season and moving forward with repairs to the wall near the pool exit. These efforts are part of our continued commitment to maintaining the safety, appearance, and well-being of our community.

Hurricane Preparedness Tips

- Know your evacuation zone and monitor local alerts throughout hurricane season.
- Make a family emergency plan that includes pets, medications, important documents, and a communication plan.
- Keep an emergency supply kit with enough water, food, batteries, flashlights, and essential supplies for several days.
- Secure outdoor furniture and loose items before a storm, and trim trees or branches that could become hazards.
- If you live in a manufactured home, review your community emergency procedures and be prepared to leave early if local officials issue evacuation guidance.
- Check your insurance coverage and keep important records in a safe, waterproof location.

For reliable hurricane preparedness information, residents are encouraged to visit Florida Disaster.org Manufactured Homes preparedness page and NOAA’s hurricane preparedness resources. These websites offer practical guidance on evacuation planning, emergency kits, and steps residents of manufactured home communities can take before, during, and after a storm. There is also a Hurricane Guide on the Pinellas County Website: <https://pinellas.gov/hurricane-guide>.

Board meetings will resume in September. Until then, we wish everyone a safe, healthy, and enjoyable summer season.

Sincerely,
Sal Chieffo
President

Gull Aire Social Club News

Dear Residents and Friends,

The first half of the year has been filled with wonderful memories, laughter, and great community spirit—and The Social Club is excited to keep that momentum going! Your Social Club continues to work tirelessly to bring you fun, engaging events for the rest of the year, and we have an exciting lineup planned for June

We begin the month with our popular **Koffee Klatch on June 6th and June 20th**. This is the perfect opportunity to relax, catch up with friends and neighbors, and enjoy fresh pastries and coffee in a warm and welcoming atmosphere.

Feeling lucky? Join us for **Bunco on June 8th and June 22nd**. Gather your friends, roll the dice, and enjoy an evening of fun while competing for cash prizes. The cost is only \$5.00, and all proceeds are returned as prizes.

Pizza lovers, mark your calendars for **Pizza Night on June 13th**. Be sure to sign up on the bulletin board and indicate your pizza choice so we can make sure everyone gets their favorite slice.

For those who love music and entertainment, don't miss **Karaoke Night on June 19th**. Come show off your singing talent or simply enjoy the performances of others. It's always an evening filled with laughter and fun.

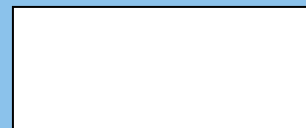

Please note that beginning **June 10th, Bingo will now feature Hot Dogs and Hamburgers every other week**.

The Social Club remains committed to creating events that bring our community together and provide opportunities for fun, friendship, and lasting memories. We look forward to seeing you at these upcoming events and making the rest of the year just as exciting as the first half.

FLOORS?**

WE FIX MOBILE HOME SUBFLOORS RIGHT.
floridaanchorandbarrier.com

BEFORE - Soft, Unsafe, Damaged

AFTER - Solid, Level, Safe

Spongy floors aren't normal — they're a **WARNING SIGN.**

YOUR FLOOR SHOULD NOT FEEL LIKE THIS:

- Soft or "spongy" when walking
- Sagging or dipping areas
- Squeaking or shifting
- Weak spots near bathrooms or kitchens
- Flooring separating or bubbling
- Musty smells coming from floor
- Floors can eventually collapse

FLORIDA MOBILE HOME SPECIALISTS

- Crawlspace & vapor barrier experts
- Clean, professional work
- Honest, no-pressure assessments
- We also do carports & AC Ducts

**SMALL SOFT SPOTS
TURN INTO BIG SOFT SPOTS**

Moisture destroys subfloors from underneath
Floors can eventually collapse
Repairs become more expensive over time

DON'T WAIT UNTIL YOUR FLOOR FAILS

We replace entire rooms for guaranteed subfloor integrity.
